Re: 2008-2009 athletics physicals

Dear Parents/Guardians:

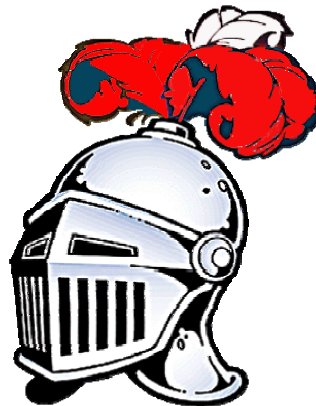

Hamburg Public School sports physicals for the 2008-2009 school year will be conducted on Thursday, September 4, 2008, at approximately at 8:30 a.m. Physical forms may be picked up during the summer from the main office or you may download on from the homepage of our website at [www.hamburgschool.com](http://www.hamburgschool.com). To help us plan for a smooth process, please stop in or call ahead to register for a physical prior to September 4. Physical forms must be completed, signed by the parent/guardian, and returned by the first day of school.

If you prefer to have your child's primary care physician conduct the physical, you still must pick up the form from the main office. Please note that in accordance with the New Jersey Department of Education requirements and for your child's ultimate safety, our school physician, Dr. Saluja, must review the forms for completeness. If physical forms are found to be incomplete (i.e., blood pressure, vision, pulse, or Tanner Stage of Development), the forms will be returned to you, and your child will not be permitted to participate in sports until the form is completed by your primary care physician and once again reviewed by Dr. Saluja.

Sincerely,

*Mrs. Mary Brady*

Mrs. M. Brady, R.N.
