Chief School Administrator

Mr. Anthony Mistretta
Business Administrator/Board Secretary

Mrs. Kimberly Sigman
Vice Principal

October 9, 2018

Dear Parents/Guardians:

It is with mixed emotions that I must inform you that I have accepted a position in another school district. I have been appointed Assistant Superintendent in Jefferson Township School District, my final day in Hamburg will be November 30th. Jefferson Township School District is located in Morris County; it is a K-12 district with seven schools.

I would like to take this opportunity to thank the Hamburg Board of Education for the trust they have placed in me as their school leader. I would also like to extend a special thank you to the Hamburg School staff and to the members of the school community. During my eleven plus years here, the staff and school community have been very supportive and always placed the needs of students in the forefront. And finally, I would like to thank Kim Sigman for her dedication and devotion to our mission.

During my time here in Hamburg I have witnessed firsthand the dedication, commitment and passion the Hamburg community has for providing the children of Hamburg with a high quality education in a safe and nurturing environment. These are some of the qualities that have made me proud to be part of the Hamburg School family for so many years.

Over time the Hamburg Board of Education will be working diligently to find my replacement. I am confident they will appoint someone who will continue the traditions and customs we hold so dear, while providing the academics and the opportunities for students to reach their potential.

Thank you again for all you do for the students of Hamburg School and for sharing your children's experiences with me over the past many years.

Best regards,

Mr. Roger A. Jinks, Jr.
Chief School Administrator
