INTRODUCTION

The purpose of this brochure is to introduce you to the Hamburg Borough Board of Education and to show you how it is structured and operated. Public control of public education is one of the cornerstones of a free society, and accordingly, people are able to exercise that control through their local school board.

The Hamburg Borough Board of Education meets at 7:00 p.m. on the fourth Tuesday of each month in the School Board Conference Room of Hamburg Borough School. Occasionally, a holiday or other circumstance will alter this schedule and/or location. In this case, or in the event of a Special Meeting, public notice is given to the New Jersey Herald and is posted on the school signs located on Linwood Avenue.

THE BOARD OF EDUCATION'S ROLE

The Hamburg Borough Board of Education is governed by a nine-member Board who are elected by the members of the community. Board of Education members are elected for three-year terms and receive no compensation for their long hours of service to the community. The board of education is a policy-making body whose primary task is the formation and evaluation of all policies necessary for the efficient operation of the school district.

EXECUTIVE SESSION

Occasionally, during a regular Board of Education meeting, it becomes necessary for the audience to leave the room in order to go into "Executive Session". This occurs when the Board needs to discuss a personnel matter or potentially sensitive issue; in accordance with the provisions of the *Open Public Meetings Act*.

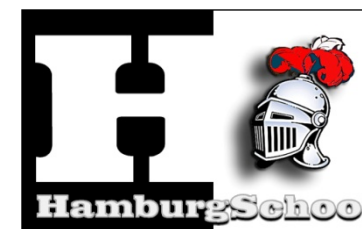

ADDRESSING THE BOARD

The Board benefits from comments and questions from concerned citizens who attend meetings. Therefore, as per Board Policy 0167, an opportunity is provided for you to be heard during the public portion of the regular meeting. If you would like to address the Board, simply raise your hand and request to be called upon during the public portion of the meeting. Once called upon, kindly state your name and address. Understand that, depending upon the length of the Board's agenda, the Board has the right to limit each presenter to three (3) minutes.

The public meeting of the school board is not the place to initiate personal charges or complaints against individual employees. As per Board Policy 1100, if, after communicating with the appropriate personnel at the appropriate level, there are still issues and concerns, you should put them in writing to the Superintendent or Business Administrator. Please be sure to give us your name, address, and phone number. The Superintendent will then communicate directly with the person or persons initiating the complaint.

THE AGENDA

The meeting of the Board follows a definite plan called "The Board Agenda." Copies of the agenda are provided to the Board in advance of the meeting and are available at all meetings. The agenda follows guidelines which are established by the State Legislature and New Jersey Department of Education. The school administration and board members recommend items on the agenda. The President of the Board, who is elected by other members of the school board, presides at all regular and special meetings. The Vice President presides in the President's absence. If you would like to be included on the agenda, you can contact the Superintendent's office, one week prior to the meeting. Groups are welcome, but the proceedings are facilitated by one person acting as the spokesperson.
