

100 DAYS OF SCHOOL!

The 100th Day of School falls on Tuesday, February 18th. This year we would like to help the local Weekend Bag Program.

The Weekend Bag Program was started single-handedly by a Sussex County student in hopes to help students that may need a little more food to get by on the weekend. Bags are donated and dispersed to students needing this assistance.

To fall in line with "100" we are asking children to bring in an everyday item that cost \$1.00 or less. Items will be collected until February 21, 2020.
