What are you really thinking about...

I think...

1. I think that remote learning is fun because I can mute the class when we are on ZOOM.- Mrs. Smalley
2. I think I'm sick of being quarantined, but at least it's nice to get to sleep in. -Olivia Owens
3. I think I don't want to be in the house anymore I want to be able to go to the park and ride my bike .. but I also like being able to sleep in and getting to spend time with my dad more because he gets home early from work now because it's slow because of COVID19 ... Erik Villegas
4. I think quarantine is amazing and I love it. I get done with school work much quicker and can spend more time with family and talking to friends on the phone. -Caitlyn Lubrano
5. I think I miss all of my friends and teachers, but I get to see most of them on ZOOM meetings - Hannah Masten
6. I think that I miss all of Hamburg School and can't wait to go back and see everyone. I hope everyone appreciates just how special our school is.-Ms. Sealander
7. I think that being home is boring because once you do your work, you don't really have anything to do.- Anthony Peluso

## Original poems:

1. I miss my class

Oh, yes I do

When we get back to school

A ton of homework is what I'm going to give you!

WAIT...I already did that ;)

-Dot Smalley

2. Roses are red

Violets are blue

Euphoria is a feeling,

I'd never thought I'd feel when I'm with you

It's now or never

It's time to endeavor

The blood, sweat, and tears,

I'd sacrifice for you

It's the time of our lives,

We won't be young forever,

So now, let us stay,

In a world, far far away

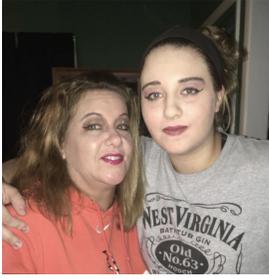

Somewhere were we,

Are connected like dna

-Kailey M.
