**Teens ages 13—18:
start 2021 by unlocking your potential and leveling up to
harness your inner power and unleash your best self!**

Join teacher and author *Claude Larson* for a six-week series designed to help teens slow down, sort through the madness of it all and figure out what you actually want in your life.

Claude Larson is a 25-year veteran of teaching in New Jersey schools. She came up with the idea for this method of self-realization and wrote her book “The Power of Choice: A Teen’s Guide to Finding Personal Success” after seeing such methods produce real positive results.

***Registration begins two weeks before each session.
A reminder with Zoom details will be emailed on the day of the event.**
