Why a Bond Referendum?

Hamburg School will make final payment on the new addition (Middle School area) bond from 2001 with the September 2021 payment.

Why Now?

Given extremely low interest rates and the opportunity to lower monthly contributions, the Hamburg BOE supports a 2021 referendum to address much needed building updates.

Proposed roof renovation will replace an existing foam roof and update our 20 year old roof in our newer addition.

HVAC update will allow for better circulation and airflow in our classrooms.
