

Hamburg School is celebrating the Week of the Young Child! April 2-8, 2022

April 2- Kick Off Saturday: A proclamation by the Mayor declaring this to be the Week of the Young Child in Hamburg will be read! Please join us on the school playground at 2 pm sharp and help kick off this week-long celebration. In addition, Hamburg teachers have collected money to donate to the charity "Save the Children"! If you'd like to donate also, you can forward your donation to Mrs. Breitenbach.

April 4- Music Monday: Music is a universal language. Stay tuned for pics and videos of our school-made musical instruments and school-wide parade! Watch as children learn new vocabulary, build their brain power, and connect to new sounds and rhythms, vital for early reading skills.

April 5- Tasty Tuesday: Bon Appetit! We made a cookbook! Our chefs will be busy in the classroom, reading recipes, measuring ingredients, and working together with a joy of cooking (along with literacy, math, and science!). Together with your little one, pick a recipe and ENJOY!

April 6- Work Together Wednesday: It's "Reading Buddy" Day! Today older student readers will join our emergent readers in the early childhood classrooms and work together as buddies.

April 7- Artsy Thursday: Murals! There is no better collaborative, creative endeavor than making murals together. We promise to document and share as the early childhood students brainstorm, collaborate, and use their words and imaginations to design these Hamburg School murals.

April 8- Family Friday: Being a family means you are part of something very wonderful. Our Hamburg School Family is special and supportive like no other. Pre-K & K Families please join us for a picnic lunch on the field at 12:05pm. We look forward to seeing you there!
