

Chromebook Loan Agreement

The Hamburg Borough School will loan students a school owned Chromebook to complete home instruction during Remote Learning. Please complete this digital loan of technology agreement granting permission for your child to use the school provided device at home.

- Your child will/has been issued a Chromebook and charger to be used to support at home learning.
- The student to whom the Chromebook has been issued will be responsible for the full replacement cost if said device and/or charger is damaged, lost, or stolen just as with the assignment of textbooks. The approximate replacement cost of the Chromebook is \$250 and charger \$25.
- The Technology Department will require the Chromebook and charger to be returned once the student returns to school or on a date determined by the School. The technology and all accessories are the property of the Hamburg Borough School and should be returned immediately upon permanent exit of the Hamburg Borough School if prior to our return date.
- Internet use of the Chromebook will continue to be monitored through the school's filtering software.

By completing this digital loan of technology agreement, you accept responsibility for the Chromebook and charger while in your child's possession.
