After each second grader in Ms. Kolb's class created a compass rose, the class headed outdoors with a real compass to identify each direction.

January Students of the Month

Travis Barlow (K-2)  
 Daniel Collins (3-5)  
 Brianna Brown (6-8)

**“Intelligence plus character - that is the goal of true education.”**

**~ Martin Luther King**

# Kindergarten

Kindergarten discussed the life of Dr. Martin Luther King Jr in Social Studies. As a way to honor his life and legacy, we participated in the National Day of Service by choosing Color a Smile as our class service project.

Color a Smile is a nonprofit organization in Morristown that distributes cheerful drawings to senior citizens, troops overseas, Meals on Wheels, and anyone in need of a smile.

Dental hygienists from Dr. Michael Lateiner's office speak to students about tooth care. Topics included proper brushing and flossing techniques and foods to promote a healthy body.

*Painting Courtesy of Mrs. Elizabeth Wassel*

Our dedicated crossing guard, Mrs. Kays amazingly served our town for 64 years and 3 months ensuring the safety of our children. She began her well deserved retirement on November 30, 2016.

Mrs. Kays has been a lifelong resident of Hamburg and resides here with her family. She began her career as a crossing guard in 1952. Throughout her long career, Mrs. Kays has faithfully served all crossing posts within the community.

Inclement weather was never a deterrent for Mrs. Kays. She steadfastly performed her duties regardless of the weather. Always conscientious, she made the safety and welfare of the Hamburg students, over multiple generations, her primary concern.

Therefore, we would like to thank Mrs. Kays for all she has contributed to the Hamburg community and wish her many happy years in her retirement. Mrs. Brady stated it best when she said, "Everyone knows and loves her."

Hamburg School is proudly displaying school messages on the new display board. Please check the sign regularly for school events.

President's Winter Recess -

Hamburg School will not be in session on

Monday/Tuesday, February 20-21, 2017

The Hamburg Junior Varsity girls stunned their opponents beating the Ogdensburg Bears in a nail biter score of 9-8. Solid offense was provided by Natalie Armstrong with three points, Jackie Schels with two points, and Amanda Montague with four points. Strong defense was provided by Brianna Brown, Avery DelGuidice, Madison Marchese, Rachel Collins, and Adrianna Manascalco. The Lady Knights ended their season with a record of 5-4-1. Thank you to everyone for your support, and we will see you next season...Go Lady Knights!

Congratulations to our eighth graders...Vanessa Hasbrouck, Aimee Wunej, Victoria Magazeno, Yianna Concepcion, and Clarissa Mejia! These girls taught their teammates the importance of hard work, determination, and skills that were instrumental to success. Thank you for all you have done for the rest of your team, and good luck next year in the high school.

Use your student's NWEA lexile reading levels to find books through the Sussex County Library. Visit <http://sussexcountylibrary.org>

(Young Ent**trepreneur**s)

The TREP\$ Program teaches kids in grades 4-8 how to start their own businesses in 6-8 weeks. They learn the lessons in the 6 weekly workshops, and apply them at home as they build their business with the help of their families. The whole school community comes out to enjoy the TREP\$ Marketplace, held right at the school, where the young entrepreneurs launch their businesses together. TREP\$ can be offered as part of the curriculum or as after-school enrichment and can be taught by teachers or by volunteers in the school community.

**Hands-on:**  
Learn through doing

**Creative:**  
Acquire an innovativion mindset

**Real:**  
Experience real business ownership

**Empowering:**  
Set goals and make decisions

Hamburg Marketplace: April 26 (6:30-8:30 PM)

NOTE: Hamburg School TREP\$ is open to all Hamburg resident children in Grades 5-8. If interested, please contact Mrs. Murphy at 973-827-7570.

Ready to think like an entrepreneur?

Well, let's get started!

We are so excited that you decided to join TREP\$. That was an ambitious move on your part -- you've already got the makings of a great entrepreneur! And, you're in good company. Many fellow students have signed on for the program.

Now let's get down to business. In order to make the most of our time together, we've had to come up with some rules and procedures. Here are some details both you and your parents should know:

### **NOTICES**

We will really try to limit any written communications between weekly Workshops. But if something comes up and information has to get to you quickly, it will be sent by email. So make sure someone reliable is checking your email on a fairly regular basis. And, if you didn't send us your email address -- *PLEASE* do so. If you don't have access to email, please find a friend who will be willing to fill you in.

### **EXPECTED BEHAVIOR**

Because TREP\$ is an after-school program, participation in the program is a "privilege" rather than a "right." As such, we have adopted a tough, but fair, behavior policy. Since you will be learning about business -- we are going to expect you to act professionally. What does that mean? It means following directions, listening when others are speaking, and raising your hand when you would like to speak. If you do not act professionally, you will be given one warning. If it happens a second time, you will have earned the loss of attending the Workshops on your own. In other words, you will be asked to have a parent attend the subsequent Workshops with you or not come at all.

### **WHAT TO BRING**

You will be given a TREP\$ Student Workbook at the first Workshop. It will be your responsibility to bring the Workbook and a pencil each week. Do not bring a snack, as no food or drink is permitted.

### **PICK-UP PROCEDURES**

Parents should park in the lower parking lot or middle school entrance. They should go to the middle school entrance. There will be a sign-out paper they are **REQUIRED** to sign. Doors will open at 4:30 pm.

As always, if you have any questions you can contact:

Facilitator Information: Mrs. Allen or Mr. Blochinger

## PTA Updates

---

January came and went in a blur... Events this month putting smiles on everyone's faces.

The number is in and our Mama Cee's pizza night fundraiser brought in \$415 for the PTA!! A great big THANK YOU to all of those that participated.

After coming back from Winter Break, the students participated in a dig to find rocks, gems, fossil pieces, and shark teeth. They were shown many different fossils of dinosaurs and actually got to touch dinosaur Poop! Thank you to the volunteers for coming in early and helping set up and running the event smoothly.

On January 13, the gymnasium was filled with flowers, butterflies, lights, and giggles as girls Pre-K thru 8 danced with their dad or special someone. The photo prop area was lit up all night with flashes going off to capture the special night. Thanks to those talented hands for decorating the gymnasium as well as the volunteers helping during the dance 😊
