

Attention Parents & Students:

Halloween is quickly approaching and so is our annual parade! All students from preschool through the eighth grade are encouraged to participate in our annual Halloween Parade. We would like to invite parents, family, friends, and community members to come observe our students in a Halloween Costume Parade on Monday, October 31 beginning at 1:30 p.m. on the field behind the school.

Costumes must be appropriate in accordance with the school dress code which can be found in the Calendar/Handbook and on the Hamburg School web site.

If you would like to observe the parade, please meet us on the field by 1:30 p.m. to see the parade get underway. The students will parade around a designated area on the field a few times before returning to the school to complete their school day and dismiss at 3:00 p.m.

If you have any specific questions about costumes or the events of that day, please contact your child's teacher for additional clarification.

Where – Hamburg School Field

When – 1:30 p.m. on October 31

What – Annual Halloween Costume Parade
