### **Cafeteria Breakfast and Lunch Charge Procedure**

Should your child forget to bring breakfast or lunch money ,there is a procedure in place that allows your child to charge a meal in the cafeteria. The cost a full-price breakfast meal is **\$1.60** cost of a full-price lunch meal is **\$ 2.90** and a reduced-price breakfast meal is **\$.30** cost of reduced-price lunch meal is **\$.40**. Students may charge up to the price of two meals before limits are placed on their meal choice.

**1st charge:** Child is allowed a full-choice meal.

**2nd charge:** Child is allowed a full-choice meal.

**3rd charge:** child is allowed limited-choice-meal- a cheese sandwich (this option comes with the components that make up a healthy meal e.g.milk,vegetable, fruit.)

Students will assume a charge for each limited-choice meal. Until a student's cafeteria balance is paid in full.

Please know that snacks are **not** allowed to be charged nor can money be accepted for snacks when three or more charges exist.

When a child reaches the limited-choice meal option status (owes more than **\$3.20** or **\$.60** for breakfast-owes more than **\$5.80** or **\$.80** for lunch),parents will be sent an email (if one is on file)

If no email on file a letter will be sent home to notify parents, if unable to reach parent from either option above, parents will be notified by phone.

**NOTE:** Each Friday, a balance slip will be generated from the cafeteria for any student who owes money.

Please know that you are welcome to contact the cafeteria manager, **Michelle Bifano** at **973-827-7570 ext 216** or by email **mbifano@hamburgschool.com** to find out your child's account balance.
