

Help Your favorite student be "Safe, Strong and Free"...

Our school district is providing CAP training for our students on how to:

- Prevent abuse and bullying
- Be assertive without being aggressive
- Learn self-protection strategies to keep them safe from sexual abuse, abduction and other potentially dangerous situations.

This training will be more effective if reinforced in the home.

We are asking parents to reinforce what their children are learning in the CAP classroom workshop by attending a CAP parent workshop on:

Date: November 30, 2020

Time: 7:00pm - 8:00pm

Place: Google Meet in Digital Backpack

learn more about CAP at
www.njcap.org

Every year, NJCAP trains 100,000 children and 15,000 adults statewide in these self-protection strategies. If for some reason you do not want your child to attend this workshop on child safety, please sign below and send back to the school.

I do not give my permission for my child to participate in the CAP workshop.
