Subject: Student Meal Delivery Initiative

Dear Hamburg School Community,

I am happy to inform you that Hamburg School is offering delivery services in conjunction with our free student meals. The program begins Monday, January 11th. To qualify for the service, students must be on remote instruction, reside in Hamburg, and have a member of the household available to receive the delivery. All other Hamburg students will be provided meals using procedures in place since the reopening of school in September.

Through this new initiative, meals are delivered to households after 1:30 PM on Mondays and Thursdays. Students that qualify are provided with seven days of meals (breakfast and lunch) over the two delivery windows. Student meals and their delivery are offered at no cost to families that qualify. 48 hours advance notice is needed to prepare orders. To take advantage of this service, please email Mrs. Bifano at mbifano@hamburgschool.com or call 973-827-7570 ext 216.

Sincerely,

*Kimberly Sigman*Mrs. Kimberly Sigman
