

Good evening Hamburg School community. These are items of interest for the week of February 1, 2021.

Snow Day : Due to the approaching winter storm, Hamburg School will be closed tomorrow, February 1st. Please tag Hamburg School's Facebook page with your favorite snow day pictures. Have fun!

Feedback : Hamburg School is seeking feedback in our efforts to implement programs and strategies designed to help our students achieve academic success leading to career readiness. Please take a few moments to complete the community [survey](#) intended for parents and community members to provide feedback. Thank you in advance for your participation.

Art Program : The Girl Scouts of Northern New Jersey are offering an art program called "Art in the Outdoors" for girls in Kindergarten through 3rd Grade. Interested families can view the [flyer](#) on the Digital Backpack for more information.

WV Little League Baseball : Registration is now open for the spring season of little league baseball. The registration window will close at the end of March. For more information, view the [flyer](#) on the Digital Backpack.

Office Communication : In the event your student is not attending school, either virtually or in-person, please notify the main office. Thank you for your cooperation.

Lunches : Hamburg School is offering meal delivery for remote learners who qualify. For details regarding this [program](#), or other food service items, please email Mrs. Bifano at mbifano@hamburgschool.com.

COVID-Related Symptoms : It is imperative that all Hamburg Families continue to follow the health department's guidance. Students must stay home if they have [COVID-like symptoms](#). If a student comes to school symptomatic, then any student or staff member who was in close contact will have to be quarantined for up to 14 days. An alternate diagnosis from your child's doctor **IS NOT** an exemption from quarantining. For the health and well-being of our students, staff and Hamburg community, please err on the side of caution.

Potential Pivot to Remote Learning : Due to the above circumstances we must remain aware of the fact that our staff may become symptomatic and also have to quarantine. We may experience staffing shortages on any given day. If this is the case, or our school is required to close for other public health reasons, we may pivot to remote learning on a moment's notice. Please prepare for this scenario with friends, neighbors and family members.

PTA News

Meeting : There will be a PTA Meeting on Tuesday, February 9th at 7:30. Participants can check the school's website or the PTA's Facebook [page](#) for the meeting's link.
