

Week Ahead : February 22, 2021

Good evening Hamburg School community. These are items of interest for the week of February 22, 2021.

Pivot to Remote : Due to the forecasted winter weather and potential for dangerous travel conditions, Hamburg School and our regional neighbors will **pivot to remote learning on Monday, February 22nd**. Virtual learning will begin at 8:10AM and follow regular schedules.

Midterm : As a friendly reminder, the mid-marking period point for the 3rd term will occur this week. This is a good opportunity for parents to view their student's progress via the OnCourse Parent Portal.

Safety Drill : Hamburg School will suspend virtual instruction at approximately 9:40 AM on Tuesday (February 23rd). During this time, students and staff will perform a non evacuation fire drill with alarms. Remote learners will resume synchronous instruction at 9:50. We apologize for any inconvenience this may cause.

Meeting : There is a virtual Board of Education meeting this Tuesday at 7PM. A link to the event will be posted on the school's website Tuesday afternoon.

Feedback : Hamburg School is seeking feedback in our efforts to implement programs and strategies designed to help our students achieve academic success and career readiness. Please take a few minutes to complete the community [survey](#) intended for parents and community members to provide their feedback. Thank you in advance for your participation.

WV Little League Baseball : Registration is now open for the spring season of little league baseball. The registration window will close at the end of March. For more information, view the [flyer](#) on the Digital Backpack.

COVID-Related Symptoms : It is imperative that all Hamburg Families continue to follow the health department's guidance. **Students must stay home if they have [COVID-like symptoms](#), a member of the immediate household is symptomatic or a household member is awaiting a COVID-19 test result**. Contact Mrs. Murphy in the main office if your child will stay home. For the health and well-being of our students, staff and Hamburg community, please err on the side of caution.

Potential Pivot to Remote Learning : We would like to thank the Hamburg School community for its preparations, flexibility and understanding regarding our use of remote learning. This mode of virtual teaching has allowed our staff to maintain continuity of instruction for our students. Thanks again.

SMILE : The PTA reminds families to link their Amazon accounts to our Amazon Smile profile. There are no fees or extra costs to participate. Set up takes no longer than this message. Check the PTA's webpage, or smile.amazon.com for more information.

For additional information on these events, please check the school's website and Digital Backpack. Have a great week!
