Kindergarten

How to make sure your child loves to read...

Read, Read, Read! Read as much to your child as possible. Try different stories so that he/she may find a favorite type of book

Even if your child is not reading the correct words, praise them for attempting to read!

Let your child follow the words that you read with their finger.

Ask simple questions after a story has been read. (What was the story about? Who was in the story?)

Don't force them to read words that are too hard. Help by modeling how to sound a word out.
