## YMCA BEFORE AND AFTER SCHOOL CARE

Working and busy families all have one thing in common: they know their children need a safe, enriching place to go before the school day starts and once the school day ends.

Our before and after school programs are a place where children can be safe, active, learning and engaged during their time out of school.

Through a balanced approach to youth development, the Y's before and after school programs offer activities, mentorship and academic support, helping kids to thrive throughout the school year.
