

Ames Rubber Open House Event

When: Saturday, June 18th, 2022

Time: 10 am – 2 pm

Location: Ames Rubber Corporation, 19 Ames Blvd, Hamburg, NJ 07419

Ames Rubber will open our doors to the public for an Open House Event on Saturday, June 18th to share the world class manufacturing being done right here in Sussex County! Our products today are used and distributed all over the world to industries including defense, construction, energy, medical device, military respirator, and office automation.

Ames Teammates and fellow community members will come together for a behind-the-scenes look at what we do. Oftentimes, we do not realize the incredible career opportunities and global level manufacturing happening right in our backyards. This is an event with food, grab bags and prizes; so bring the whole family and your curiosity!

We also have summer jobs available for those 18 years and older. Inquire at the event or contact us using the number below!

You'll find us in the front parking lot of our facility located at 19 Ames Boulevard in Hamburg, NJ from 10 am to 2 pm on Saturday, June 18th.

Let us know you'll be there by filling out our simple online RSVP [here](#).
