SAGE Advice from the Class of 2022

You can be anything you want to be · Believe in yourself, and you can · Your opinions matter ·
You are valuable · You inspire me · You are important ...-DS

- When you want to set big goals for yourself, make small goals as stepping stones to your big goals.-LR
- Don’t give any teacher a hard time, especially Mrs.Smalley.-JM
- Make sure to take notes. - CD

- **School is a privilege, so again, enjoy it while it lasts. JDF**
- **Make memories, take risks, and be a leader, not a follower. KF**
- **Don't be afraid of raising your hand and answering a question. Give your full undivided attention to the person who is speaking. -IR**
- **Don't take advantage of teachers and subs. VP**
- **You should respect your teachers, be active in your school community, and be a good role model to younger students.-JK**
- **Remember to always get your work done on time, and do it well. - AP**
- **When you have the opportunity, run around and act like kids.-HM**
- **Trust me, if you try your hardest and do your best, you will have an amazing year that you will never forget. SL**
- **Studying will help a lot, so make sure to use your resources wisely. AC**
- **Ways to be an amazing student consists of being respectful to teachers, doing all of your homework, and setting good first impressions for other students as well as teachers. TMc**
- **It's also important to balance your life with school to stay happy and healthy throughout the year. -JM**
- **If you're ever nervous, just try your best and push through. DA**
- **If you're just trying to be funny, find the right time. -TZ**
- **You will be challenged. You will be pushed to your limits. You will certainly feel stressed. You might also lose a limb or two in the process (not actually). So, with that being said, here's some advice to help you survive- DON'T PROCRASTINATE. CL**
- **Always be prepared to learn new things! MM**

- Please don't start drama. - JM
- Give one-hundred percent, one-hundred percent of the time. -DC
- *Make sure to not goof around when a teacher gives you classwork because it may turn into homework. -NM*
- *Whether it's science or history, math or language arts, It all matters at the end of the year. JD*
- Don't be immature, be grown up and behave. KN
-
- Keep a healthy mindset when you do your work. Do not be afraid to ask questions.-LC
- If you don't have enough time to finish your homework, always make sure that at least Smalley's essays are done. DA
