## Children's Art Bereavement Program

Thursday Evenings • 6 p.m. – 8 p.m.  
March 9, March 16, March 23 & March 30

### PROGRAM OVERVIEW:

The program is designed for children (age 6–12) who have experienced the loss of a loved one through death. This program will focus on meeting the individualized needs of grieving children through art and play.

This series also helps children understand their own unique feelings in grief, allows them to come together with others who have also experienced the loss of a loved one, and provides an environment where they feel comfortable asking questions and expressing their feelings and fears about death.

### AND FOR THE ADULTS...

A simultaneous group will be provided for the parents or guardians. This group will be educational and supportive in nature.

HELD AT:
