This proposed schedule is not absolute; therefore, any emergency closings due to inclement weather or other conditions necessitating the closing of school will be rescheduled at the discretion of the Board of Education. These make-up days may occur during recesses or days may be added to the end of the school year. If necessary, weekends may be utilized to comply with State attendance requirements. Vacations scheduled during recess periods or in June are made at the individual's risk. In an effort to meet facility project needs, there may be the need to pivot the February 20, March 18, and / or April 29 Inservice days to student instructional days. These needs will be reevaluated throughout the year and communicated to all stakeholders as soon as determined.
