

The goal of the Special Needs Registry is to ensure all Sussex County residents who may be in need of special assistance are able to get the help and support they need in a time of emergency or during interaction with Law Enforcement, Fire or EMS personnel.

The Sussex County Special Needs Registry is a joint collaboration between the Sussex County Prosecutor's Office, the Sussex County Sheriff's Office and the Sussex County Police Chiefs Association.

Each registrant will be provided with 2 different sized window decals that can be placed on the front entrance of the registrant's residence as well as on the window of any vehicle in which they regularly travel. The presence of the SNR decal signifies to first responders that someone in the residence/vehicle has some degree of special need and that they should respond accordingly. The use of the decals is voluntary.
